Hi Constancio,

I just talked to Mike Russell at the Wilshire BID. They did not buy or install these cans. He tells me that the BSS logo is on many of them. Also it may be shelter clean.

Here is Mike's contact info if you need info from him: 213-487-7003 w, 213-321-6163 cl, [mike@wilshirecenter.com](mailto:mike@wilshirecenter.com). I have copied him here as well.

With Thanks!

Good afternoon, do you know who may be responsible for the maintaining the cement trash cans along Wilshire Blvd between Hobart and New Hampshire ? There is one that someone has pushed onto the bus lane. I have submitted a request for removal

Thanks
